

Ask what you can do

Every generation faces the opportunity and responsibility to meet the challenges of its era. Today's problems require novel approaches and non-traditional alliances that bring together leaders from government, civil society and business. Would you like to know more about graduate degree programs in public policy, public administration, and international development?

Attend a **Harvard Kennedy School (HKS) information session** to learn about our Master's degree programs, student life, financial aid, and career opportunities.

In addition, HKS hosts an annual all-expenses paid conference on our campus for freshman and sophomore students. The application deadline for this conference is November each year and the conference takes place in February. The presentation will include information on this opportunity.
